

Dear Rotary Club

Flat Spaces is honoured to be associated with and supported by Rotary Clubs around the country. I have been a member of the Four Marks and Medstead Club for many years, and know and have been involved in the very great work that is done in this country and around the world,

Flat Spaces is asking for your Club's support to enable those with disabilities, their families and carers to take a break at our fully accessible holiday rental in Ropley. In particular we are looking for support for those members of the community who, for one reason or another, cannot afford to take a holiday.

Our bungalow will sleep 6 people (plus a pull out couch), and holidays range from £500 for 3 nights in the Low Season, to £1500 for 7 nights in the High Season.

You may have a family locally that can be helped, or alternatively you may wish to donate to our general fund.

Please do get in touch with me if you would like to discuss this in more details.

With best wishes
